Church Constitution

Respecting a Christian Chh that it is our opinion, that us
body of men are to be acknowledged as such, but those who
do believe & receive the Bible contained in the scriptures
of the old and new testaments to be the word of God & the
only unerring rule of faith & practice and do cordially
embrace the important doctrines contained in them and
likewise do agree to watch with and over one another
agreeable to the rules and orders of the gospel.

Particularly it is our opinion

1 That none are to be admitted into fellowship with the
Church but such as are in a Judgment of Christian Charity
cordial friends to the Lord Jesus Christ.

2 That Baptism is to be administered to all such & to
their infant seed but to none other.

3 In obtaining evidence of the fitness of Persons for
chh fellowship it is necessary that the Candidate exhibit
at least to the majority of the Church satisfactory
reason of his being in a gracious estate.

4 That the right of determining all matters of Controversy
in the chh. the exercising the discipline of Christ's house
is vested solely in the Church.

5 Nevertheless in various cases it is the duty of a Church
to ask the advice and consent of Neighbouring Churches to
which they ought to conform when agreeable to the word of
God, of which agreement the Church are to be the Judges.

6 That no matter of complaint against any member of the Chh. ought to be exhibited publickly to the chh. until steps have been previously taken which are described by our blessed Lord in the 18th chapter of Math.

7 That for every scandalous offence publickly committed by any members of the Church their ought to be publick testimony exhibited of his repentance in order to his being restored to charity & fellowship.

8 That the laws of Christ oblige all persons living under the Gospel, and especially chh. members, to support a Gospel minister as God hath given them ability, without the improvement of civil Law.

9 That members from other churches ought not to be received without evidence of the same qualifications which they ask for in others.

Church Covenant.

We whose names are underwritten, apprehending ourselves called of God into the chh state of the Gospel.

Do first of all confess ourselves unworthy to be so highly favoured of the Lord, and admire that free and rich grace of his which tryumphs over so great unworthiness, and then with an humble reliance on the aids of Grace therein promised for them that under a sense of their inability to do any good thing do humbly wait on him for all.

We now thankfully lay hold of his covenant and would choose the things that please him.

We declare our serious belief of the Christian Religion as contained in the Sacred Scriptures, and with such a view thereof as the Confession of Faith in our churches has exhibited, heartily resolving to conform our lives to the rules of that holy Religion as long as we live in the world. We give up ourselves unto the Lord Jehovah, who is the Father and the Son and the holy Spirit and avouch him this day to be our God, our Father, our Saviour and our leader, and receive him as our portion forever.

We give up ourselves to the blessed Jesus who is the Lord Jehovah and adhear to him as the head of his people in the covenant of grace and rely on him as our Priest

as our Prophet and as our King to bring us unto eternal blessedness.

We acknowledge our everlasting & indispensable obligations to glorify our God in all the duties of a Godly & sober life, and very particularly in the duties of a chh. state as a body of People associated for an obedience to him in all the ordinances of the Gospel we thereupon depend upon his gracious assistance for our faithful discharge of the duties thus incumbent on us.

We desire and intend & with dependence on his promised and powerful grace we engage to walk together as a Chh. of the Lord Jesus Christ in the faith and order of the Gospel so far as we have it revealed unto us, conscientiously attending the publick worship of God, the sacraments of his new testaments, the discipline of his Kingdom, and all his holy institutions in communion with one another, and watchfulness avoiding every stumbling block & contention as becomes a people whom the Lord hath bound up together in a bundle of life.

Page 4

At the same time we do also present our offspring with us unto the Lord purposing with his help to do our part in the method of religious education that they may be the Lord's, and all this we do flying to the blood of the everlasting covenant for the pardon of our many errors, and praying that the glorious Lord, who is the great Shepherd, would prepare & strengthen us for every good work to do his will, working in us that which will be well pleasing to him.

To whom be glory forever and ever.

Amen.

The Second chh of Christ in Granville in a chh Conference holden on March 4th 1784, after prayer and mature consideration came into the following conclusions, viz:
 1. That they think it not the duty of a chh to receive a complaint against any member in the chh until those steps have been previously taken recorded in the 18th chap of St. Math.

& that the first step at least we are to take with those out of the Chh before we expose their sin to publick view.

2. This Chh desire to retain a sense of their duty & obligations to meet together and attend upon the worship and ordinances of God unless necessarily detained according to the commands of God and the example of his people recorded in the holy Scriptures and their covenant engagements, and they believe it the duty of a chh. to call those to account who without sufficient excuse perseveringly absent themselves

3. The Chh. unanimously suppose that no member either for conscience sake or for better accommodation ought to withdraw from the communion or fellowship of the chh without previously asking liberty of the chh to whom he or they belong.

4. The chh attended to Mrs Hope Coe's request wherein she desired a dismissal from the special watch of this Chh and a letter recommendatory to the 2nd Chh in this place. The Chh supposed Mrs Coe blameworthy for absenting herself for almost two years without consulting them upon the subject. After Mrs. Coe had acknowledged her fault to the Chh. in this particular they agreed to dismiss her and give her a letter as above.

Votes & proceedings of the church recorded by Moderator. At a regular Church meeting held Monday, 4th day of Dec 1797 at the house of Rev. Timo. B. Robinson, the following votes were passed.

- 1 That the Rev Joel Baker should be the standing Moderator of this Church.

4. That the table be supplied by a tax of 9 pence a member
5. That the following articles of faith, and form of covenant be adopted by this church.

A Confession of Faith

Page 16 You believe in one only living & true God, creator & governor of all thing; that there are three persons in the Godhead; Father, Son & Holy Ghost; equally & eternally possessed of all perfection.
 You believe the scriptures of the old & new testaments to be the word of God, containing all things necessary for faith & practice. That man was made at first in the image of God under a covenant of works, which covenant he broke by disobedience & plunged himself & posterity into guilt & ruin out of which they are unable to deliver themselves-- That salvation can be obtained only by the righteousness of Christ, through the exercise of repentance & faith. That Christ the son of God became man that he might be a mediator between God & man and that he is the only redeemer of God's elect

You believe in Christ's death as an atonement necessary for the salvation of sinners, That he continued under the power of death for a time, arose the third day & ascended into Heaven where he ever lives to make intercession for his people.

You believe the holy Spirit is the sanctifier, that he makes application of the redemption purchased by Christ to the souls of believers.

You believe in God's gracious election of believers unto eternal life: their adoption into God's family, their indissoluble union to Christ, & their perseverance to the end. And that those who will not believe & come to the knowledge of the truth must perish forever.

Page 17 You believe God requires holiness of heart and a diligent use of the means of grace, which he has appointed in his

word for their spiritual good, such as reading, hearing the word preached, meditation & prayer.

You believe that baptism & the Lord's supper are ordinances of the Gospel, & ought to be received by those who have faith in Christ, and live according to the rules of the Gospel, that baptism is to be administered to believers and their infant children.

You believe that the soul is immortal, that the body will die to be raised to life again & reunited to the soul, forever, in happiness or misery.

You believe that Christ will hereafter come to judgment & sentence all mankind according to their works, when the wicked will go away into everlasting punishment & the righteous into life eternal.

A Covenant.

You do now in the presence of God & men avouch the Lord Jehovah, Father, Son & holy Ghost to be your God, giving up yourself to him in a covenant of promise to serve him with your body & spirit which are his. Engaging by his grace assisting to deny ungodliness and ever worldly lust, by living a life of religion, of sobriety & conformity to the rules of Christ's kingdom and of this church in particular. And to submit yourself to the brotherly watch, instruction & discipline of this church so long as time and convenience will permit. Thus you believe & thus your promise.

The minutes of the last meeting were read.

Bro. Coe, being now present, was called upon to answer to the charges preferred against him. To the charge of intemperance he plead not guilty. To the charge of neglecting public worship he plead guilty in part.

Whereupon after a charge from the Moderator to the Chh.

& prayer by the same for divine direction, the Chh.

proceeded to a careful hearing of the testimony in

Page 12 relation to each charge and to hear what Bro. had to offer in reply or in his defence. After a long & patient investigation the chh. voted unanimously that the 1st charge is sustained--that the 2nd charge is sustained.

The chh then in the most solemn manner adopted by a unanimous vote the following result.

Whereas the Chh are not at all satisfied with the defence which Br. Coe has made, but have full & satisfactory evidence of his guilt in regard to each of the charges, and of his aggravated guilt in relation to the latter charge & whereas there is no prospect of gaining him to repentance by any further delay in dealing with him, we deem it our solemn though painful duty to execute against him the ultimate sentence of discipline & cut him off.

Page 13 We do therefore agreeably to the rules of the Gospel, in the name of Christ excommunicate the sd Bro. Ephraim Coe from all christian fellowship & communion with the church of Christ on Earth; and he is hereby accordingly thus excommunicated. May God Almighty have mercy on his soul & bring him to repentance for Christ's sake, Amen.
